A Wonderful Sense of Humous Walatowa Woodlands Initiative	01/02/06 06/30/06	Mtg Mtg	Dante Valbre Marie Rodriguez							Discussed wood chip composting Discussed possibilities for using mulch in thinning project	Kathy Hillock Kathy Hillock and Greg Baker

Appendix III - One-on-one Outreach

Navajo Nation Cuba Regional Economic Development Organization Small Wood Opportunity Team	07/07/06		James Benally, Carmenlita Chief		Kathy Hillock	Phone	Discuss potential of doing workshop/consultation on Navajo Nation	
Weber Engineering	08/02/06	Mtg	Marie Rodriguez		Jim Brooks	Phone	Shared info with wood group about our CFRP project and value of mulch for erosion control	
Santo Domingo Tribe	09/26/06	Phone	Paula Webber		Sarah Pierpont	Phone	Discussed mulch usage opportunities in Silver City	
Friends of Hyde Park	09/26/06	Ann Watson	Sarah Pierpont		Email response	Ann reached out for one-on-one assistance.		
Sunrise, LLC	10/02/06	Santa Fe, NM	Evelyn Taylor, Board of Directors, Bandgeckos@aol.com		Sarah Pierpont		numerous emails regarding consulting services available	NMRC CFRP rep will attend one of their meetings if needed
Jicarilla Apache Tribe	11/20/06	Telluride, CO			Sarah Pierpont		mailed CFRP NMDOT compost info to Jonathon Greenspan, Sunrise LLC	
	11/29/06	Jicarilla Apache Tribe			Sarah Pierpont		phone call about CFRP chipping Dixon Sandoval	
	12/01/06		Luis Torres		Krista Bonfantine Sarah Pierpont, English Bird, Krista Bonfantine	Mtg in Santa Fe	Discussed with Luis possibility of partnering for demo project with his CFRP projects	
	12/01/06	Santa Fe River Tribe			Sarah Pierpont		Consult with Will Barnes regarding SF Girls' School monitoring, etc of riparian area, mulching and wood chipping	Russian Olives removed, will be chipped in Spring '07 and used to mulch area
	12/04/06	Jicarilla Apache Tribe			Sarah Pierpont		email of worksheets info to Dixon Sandoval	
Navajo Nation	12/06/06	Navajo Nation, NM & AZ	James Benally, Carmenlita Chief		Sarah Pierpont		emails regarding workshop possibility in Gallup	Workshop will not be in Gallup in winter/spring '07 as they'd prefer one on one professional consults
Valles Caldera Trust	12/06/06	Valles Caldera	Marie Rodriguez		Sarah Pierpont		phone call about CFRP update	Ok'd using Valles as monitoring site, currently stockpiling mulch, CFRP rep will attend meeting in Spring '07 with forest fire lab rep regarding pre-treatment inventory
NM Association of Conservation Districts	12/08/06	Albq USDA office			Krista Bonfantine	mtg	Discussed how two organizations can partner to further educate about mulch and erosion control	
	12/12/06	Contacted Naomi Engelman at Forest Guild about new mulch coloring technology			Sarah Pierpont		phone conversation	presenting useful contacts, information sources, etc
	12/12/06	Contacted Matt Cox about mulch coloring technology and marketing packets for Jan workshop			Sarah Pierpont			mailing marketing material for Jan '07 workshops regarding this technology
Luis S. Torres	12/12/06	Thinning Project underway			Sarah Pierpont		phone conversation sent info to Luis S. Torres per his request (PO Box 901, Santa Cruz, NM 87567 Phone 505-753-8407 email luis87567@cybermesa.com)	
	12/13/06	Mescalero Apache Tribe			Jim Brooks, Greg Baker		personal consultation - erosion control issues surface water run off damaged utility lines (1 water & 1 sewer)	New Demo Site to highlight erosion control practices
Luis S. Torres Nature Conservancy	12/19/06 01/08/07	Thinning Project underway (Santa Cruz?)	Anne Bradley		Krista Bonfantine Krista Bonfantine	calls email	Consultation regarding thinning project Discussion of meeting at Valles Caldera	Additional consulting regarding disposing of slash as mulch is getting too deep - Krista researching/presenting options
Bernalillo County Agricultural Extension Office	01/08/07		Joran Viers		Krista Bonfantine	email	Discussion of mulch outreach	

Appendix III - One-on-one Outreach

Sam Gutierrez Upper Rio Grande Phreatophyte Control Committee	01/09/07	Cuba				Sarah Pierpont	call	contacted regarding his invention of converting his chipper into a waddle stuffer	we can work with him in spring to see how the equipment works at the Girl Scout Camp as he has the thinning/mulching contract on this and it is a demo partner - he may try to attend the Jan 12 Las Vegas workshop to present his invention. He is currently trying to get it certified by DOT.
	01/10/07		Stan Bulsterbaum	contractor		Krista Bonifantine	email	Contacted to set up a meeting	
NM Energy Minerals & Natural Resources	01/16/07	Forest & Watershed Health Coordinator	Susan Rich			English Bird	E-mail	Requested to be placed on contact list and to participate in upcoming workshops	Asked Sarah to follow-through.
Peggy Ohler	01/17/07					Sarah Pierpont	call	contacted regarding participation in the 6-07 NM Forestry camp	We'll be on the agenda
Yvonne Byan	01/17/07	Chaparrel Girl Scout Camp				Sarah Pierpont	email & call	Contacted regarding assisting Girl Scout camp with erosion control efforts this spring, follow up from last year's presentation about mulching, etc	
Susan Rich	01/17/07	Forest & Watershed Health Coordinator - with State of NM				Sarah Pierpont	email	contacted regarding adding her to contact list and introducing her to CFRP project	added to mailing list and outreach list, discussed grant outreach opportunities
Beulah Ranch Preserve Upper Rio Grande Phreatophyte Control Committee	01/18/07		Caroline Rackley			Sarah Pierpont		Mailed Erosion Control workshop handouts to her from Jan 12, '07 Las Vegas workshop as she couldn't attend	More information out into the field
Ann Watson/Santa Domingo Pueblo	01/23/07	Mountainair	Stan Bulsterbaum	contractor		Krista Bonifantine	meeting	Located at mulching operation and piles. Discussed volume estimates.	
	01/24/07	Santa Domingo Pueblo	Ann Watson			Greg Baker, Jim Brooks, Krista Bonifantine	site visit	bosque thinning, chipping and large agricultural composting plans	Provided professional knowledge of how to set up composting facility using wood chips
Santo Domingo Tribe	01/24/07	Santo Domingo	Ann Watson	Ecologist		Krista Bonifantine	meeting	Discussed CFRP proposal and composted mulch procedure.	
Santo Domingo	01/24/07	Santo Domingo	Ann Watson			Jim Brooks	Site visit	CFRP Meeting about their compost project	
Lower Frisco Wood Products	01/26/07		Sandra Uzueta			English Bird	E-mail	Needed help offloading scrap wood created from sawmill	Put her in touch with Van Patton, who already evaluated and didn't want it and Kariann Sokulsky at South West Solid Waste Authority that wanted to take some material for landfill cover. We offered her an on-site visit to discuss solutions. Also got Las Cruces DOT interested to try to connect dots with the material
CFRP monitoring	01/29/07	Santa Fe	Melissa Savage	contractor		Krista Bonifantine, Sarah Pierpont & English Bird	meeting	Discussed monitoring plan	
CFRP	01/31/07	Santa Fe	Brad Brooks	applicant		Krista Bonifantine	meeting	Discussed possibility of including beneficial use of forest residuals in 2007 proposal for Coyote, NM area.	
NMDDOT	01/31/07	NMDDOT offices	Colleen Vaughn			Jim Brooks	Site visit	CFRP Meeting about mulch for roadside projects	
Mescalero Apache Tribe	02/01/07	Mescalero	Jackie Blalock			Jim Brooks, Greg Baker	call	phone conversations	Project in May to do erosion control on washed out utility lines, with filter socks, mulch, etc
Mescalero Apache Tribe	02/01/07	Cell-out of office Santa Domingo Pueblo	Jackie Blalock	Public Utilities Director		Greg Baker	Phone Call	Discussed Erosion Control Project on Tribal Land	Estimated approx. Linear feet of Erosion Control Filter Socks needed for project & estimated Cu.Yds. of Mulch to be utilized
Santa Domingo Tribe	02/06/07		Ann Watson			Jim Brooks, Greg Baker	site visit	Consult about composting with thinned mulch from bosque	Assisted with applying for CFRP grant proposal to compost thinned bosque
NMED: Surface Water Quality	02/06/07		Delbert Trujillo			English Bird	In person and e-mail	Discussed his 319 program and mulch use projects. Decided we should share ideas	Left him Krista's info to discuss further about meeting or partnering
Santo Domingo Tribe	02/06/07	Santo Domingo	Ann Watson	Ecologist		Krista Bonifantine	meeting	Discussed CFRP proposal and composted mulch procedure.	

Appendix III - One-on-one Outreach

Santo Domingo	02/06/07	Santo Domingo	Ann Watson		Jim Brooks	Site visit	CFRP Meeting about their compost project	
Santo Domingo Tribe	02/08/07	Albuquerque	Ann Watson	Ecologist	Krista Bonifant	meeting	Discussed biomass estimation for SD CFRP grant application.	
Santa Fe Community College	02/12/07		Abad Sandoval		Krista Bonifant	email	Working to facilitate use of forest residuals for biomass heater at college.	
Edgewood Soil and Water Conserv District	02/13/07	Edgewood	Kelly Archuleta		Sarah Pierpont	email & call	Follow up after noting she's interested in more 1-on-1 consult at Oct workshop	Moriarty Erosion control workshop on April 25, 2007
Las Comunidades NMEM/NRD, State Forestry Division	02/13/07	El Rito	John Ussery		Sarah Pierpont	email	Follow up after noting he's interested in more 1-on-1 consult at Feb '06 workshop	
	02/13/07	Santa Fe	George Duda		Sarah Pierpont	email	Follow up after noting he's interested in more 1-on-1 consult at Feb '06 workshop	
NM Forestry Division - Timber Management Officer	02/13/07	Socorro	Nick Smokovich		Sarah Pierpont	email & call	Follow up after noting he's interested in more 1-on-1 consult at Feb '06 workshop	
USFS SF Nat. Forest	02/13/07	Santa Fe	Ruben Montes		Sarah Pierpont	email	Follow up after noting he's interested in more 1-on-1 consult at Feb '06 workshop	
Edgewood Soil and Water Conserv District	02/16/07	Edgewood	Kelly Archuleta		Sarah Pierpont	email & call	Moriarty building with a hands on component follow up as well	Workshop conducted
Santo Domingo Tribe	02/16/07	Albuquerque	Ann Watson	Ecologist	Krista Bonifant	email	Emailed volume calculations for application.	
Village of Corrales	02/20/07	Corrales	Tony Tafoya		Sarah Pierpont	email	Follow up after noting he's interested in more 1-on-1 consult at Jan '07 workshop	
Santo Domingo Pueblo	02/22/07	Santa Fe	Ann Watson	Natural Resources Director	Greg Baker	Phone Call	Spoke w/ Natural Resources manager re: composting Bosque forest thinning residuals on Tribal land.	Pueblo is incorporating these composting principles/testing procedures for QA/QC into their production methods
Santo Domingo Tribe	02/23/07	Albuquerque	Ann Watson	Ecologist	Krista Bonifant	email	Commitment letter from NIMRC	
Windswept Organix	02/27/07	Albuquerque	Kim		Sarah Pierpont	Call & email	Communicating information about upcoming workshops	Probably attendance at either Santa Fe 4-4-07 or Ruidoso 3-29-07 workshop. Glen may speak at Ruidoso workshop
BIA Southern Pueblos Agency	02/27/07	Albuquerque	Paula Shattuck		Sarah Pierpont	Call & email	Received flyer from CFRP annual mtg, wants to coordinate workshop specifically for the 10 Southern Tribes & Agencies	Workshop conducted
	02/28/07	El Rito	Luis Torres	CFRP grant recipient	Krista Bonifant	meeting	Attended meeting with Forest Service to discuss use of slash in 319 grant application.	
Santo Domingo	02/28/07	Santo Domingo	Ann Watson		phone calls, emails	Authorized letter of support for their CFRP grant	Successful grant application	
NM Forestry Division - Timber Management Officer	03/01/07	Socorro	Nick Smokovich		Sarah Pierpont	phone	spoke 3-1 about possible workshop near Daddle, NM	
Bareila Timber Management	03/01/07		Ralph Bareila		English Bird	Call & email	Asked for letter of support	Sent letter
Mescalero Apache Tribe	03/12/07		Specific follow up requested - Ben Sanchez, La Jicarita; Dwayne Lefhand, Taos Pueblo; Gabe Cosyleon, Santo Domingo; Julia Vasquez, La Lama Neighborhood Assoc.	Utility Director	Kathy Hillock	phone call	Contacted regarding environmental clearances for erosion control project	
Pueblo of Santa Ana	03/12/07		Brian Wimberly	Restoration Coordinator	Krista Bonifant	email	Follow-up from CFRP workshop regarding training and consultation opportunities through NIMRC	
Mescalero Apache Tribe	03/13/07		Thora Padilla	Environmental Specialist	Krista Bonifant	phone call	Contacted regarding environmental clearances for erosion control project	
NMDOT Edgewood Soil and Water Conserv District	03/13/07		Colleen Vaughn	Environmental Analyst	Krista Bonifant	email	submitted letter requesting permission to conduct roadside monitoring in conjunction with DOT	
	03/15/07	Edgewood	Kelly Archuleta		Sarah Pierpont	emails	coordinating upcoming workshop for Edgewood SWCD	workshop April 25

Appendix III - One-on-one Outreach

City of Edgewood Lincoln County Solid Waste Authority	03/15/07	Edgewood	Karen Mahalick		Sarah Pierpont	phone call & email, 286-4518	Invitation to April 25 workshop & outreach assistance	286-4518
	03/15/07	Ruidoso	Debra Ingle		Sarah Pierpont	phone call & email	Invitation to March 29 Erosion control workshop in Ruidoso Downs	
CFRP Grant Recipient	03/19/07	Ruidoso	Sherry Burrows		Sarah Pierpont	phone call	discussed outreach & contact names for March 29, 2007 Ruidoso Downs workshop	called/mailed numerous people to invite to workshop
Magdalena Ranger District	03/19/07	Cibola	Dennis Alfridge	District Ranger	Sarah Pierpont	phone call	Spoke about erosion control efforts for mine Reclamation, HI ranch thinning project,	he suggested I call Marcia Miolano Environmental Engineer to discuss 1-on-1 consult
Vermijo Park Ranch	03/19/07	NE Corner of State	Scott Chase	Open Space Coordinator	Sarah Pierpont	phone call	asked about what to do with ponderosa pine tops not chipped in piles in forest, thinning 240,000 acres	researched possible businesses interested in product
Bernalillo County Center for Service Learning Opportunities in Education (CFSLOE)	03/19/07		Chip Bergwund		Krista Bonfantine	site visit	set up monitoring equipment	
US Forest Service	03/19/07	Cibola	Will Barnes	Biologist	Krista Bonfantine	email	Emailed suggestion for mitigating impact of grinding equipment on stream channel	
NM Forestry Division - Timber Management Officer	03/20/07	Socorro	Nick Smokovich	Environmental Engineer for NM	Sarah Pierpont	phone call	spoke regarding consult in Magdalena forest, mine reclamation project Cobb Mill Site and Rosedale Site near Kelly, NM	emailed her information about our workshops
US Forest Service	03/20/07	Cibola	Marcia Miolano	Environmental Engineer for NM	Sarah Pierpont	phone call	emailed regarding brush piles and what can be done with them	forwarded info about Mr. Taylor Machine in ABQ interested in brush to chip
Vermijo Park Ranch	03/21/07	NE Corner of State - 600,000 acres	Scott Chase		Sarah Pierpont	email	personal invite to March 29 workshop in Ruidoso Downs	will circulate info
Mescalero Apache Tribe	03/26/07		Thora Padilla		Sarah Pierpont	email	personal invite to March 29 workshop in Ruidoso Downs	
Mescalero Apache Tribe	03/26/07		Beth Skeggs		Sarah Pierpont	email	personal invite to March 29 workshop in Ruidoso Downs	attending
US Forest Service	03/26/07		Connie Zipperer		Sarah Pierpont	email & call	personal invite to March 29 workshop in Ruidoso Downs	will forward info at March 22 WUI meeting to see if anyone can attend
RC & D	03/26/07		Clark Taylor		Sarah Pierpont	phone	personal invite to March 29 workshop in Ruidoso Downs	planning on attending
Santo Domingo Tribe	03/26/07		Ann Watson	Ecologist	Krista Bonfantine	email	Discussed meeting and tour to evaluate upland erosion control opportunities	
Girl Scouts of Chaparral Council, Inc.	04/02/07		Yvonne Bryan		Sarah Pierpont	email	letter of support for their 2007 Wildfire Risk Reduction for Rural Communities Grant proposal	included in grant ap for erosion control workshops in April - June, 2008
Valles Caldera Trust	04/02/07		Marie Rodriguez	Natural Resource Coordinator	Krista Bonfantine	email	set up meeting at Caldera	
Bernalillo County	04/05/07		Chip Bergwund	Open Space Coordinator	Krista Bonfantine	site visit	download monitoring data	
Adobe Building Supply Firefighter Training Academy	04/06/07	Bernalillo	Ben	Training Coordinator	Sarah Pierpont	phone call/fax	missed 4-4 DOT workshop and wanted information	faxed information related to providing composted mulch to dot
Quivira Coalition	04/06/07		Justin Staley	Associate Director	Krista Bonfantine	email	contacted regarding potential mulch ignition experiment	
Girl Scouts of Chaparral Council, Inc.	04/07/07		Craig Conley		Krista Bonfantine	email	contacted regarding recommendation for burlap sacks to fill with wood chips for erosion control	
Valles Caldera Trust	04/09/07	Jemez	Sandy Kohn	Camp Director	Sarah Pierpont	email	trying to set date for visit/erosion control consult, involvement in NM Forestry Camp	Krista lead workshop
Windswept Organix	04/09/07		Marie Rodriguez	Natural Resource Coordinator	Krista Bonfantine	site visit	project overview with members of Senator Udall's staff	
	04/09/07		Kim Garcia	Salesperson	Krista Bonfantine	phone call	contacted to inquire about watties and discuss how Windswept could be a potential user of woody residuals that need to be transported from project locations	

Appendix III - One-on-one Outreach

Conwed Plastics	04/09/07		Emily Hurst	Salesperson Division of Resource Management for the Mescalero Apache Tribe	Krista Bonfantine	phone call and email	contacted regarding availability of wattle netting	
Mescalero Apache Tribe	04/11/07		Thora Padilla		Greg Baker	phone	spoke regarding demo site erosion control application on eroded utility lines	Tribe providing archaeologist to assist project given go ahead
A.J. Martinez & Co Center for Service Learning Opportunities in Education (CFSLOE)	04/11/07		Augustine Martinez		Sarah Pierpont	phone/fax	registered for workshop and faxed info regarding applying for CFRP grant	attending April 21 workshop
NMDOT	04/12/07	Santa Fe River	Will Barnes	Biologist	Krista Bonfantine	site visit	Met with Santa Fe County to evaluate access for grinding equipment, 3 attendees	
Santa Fe County Fire Dept	04/16/07	Santa Fe	Greg Gallegos	Environmental Analyst	Krista Bonfantine	meeting	Discussed monitoring equipment, data and evaluated placement, 5 attendees	
Old Wood	04/17/07	Las Vegas	David Old	Woodflooring Manufacturing business	Sarah Pierpont	phone	introduction regarding wood products and how our grant might tie into what he's doing	
Valles Caldera Trust	04/17/07		Marie Rodriguez	Natural Resource Coordinator	Krista Bonfantine	email	contacted regarding monitoring and scheduling with crew from Natl Fire Lab	
Santa Fe County Fire Dept Edgewood Soil and Water Conserv District	04/17/07	Santa Fe	Greg Gallegos		Sarah Pierpont	emails	preparing for 4-21 workshop at SF County Fire Hondo Station	
SF National Forest	04/23/07	Edgewood	Kelly Archuleta		Sarah Pierpont	emails	preparing for 4-25 workshop	
Missoula Fire Sciences Lab	04/23/07	Santa Fe	Carol Van Dorn		Sarah Pierpont	phone	conversation regarding our grant, upcoming workshops, will mail handout packages to her	provided soil scientist contacts, knowledge of our outreach efforts
Santa Fe County Center for Service Learning Opportunities in Education (CFSLOE)	04/24/07		Helen Smith	Ecologist	Krista Bonfantine	email	Contacted regarding biomass estimate field work at Caldera	
Santo Domingo Tribe	04/27/07		Phil Westen	Manager	Krista Bonfantine	phone call	Contacted regarding schedule for grinding at Santa Fe River	
NMDOT	05/02/07		Will Barnes	Biologist	Krista Bonfantine	email	Contacted regarding schedule for grinding at Santa Fe River	
NMDOT	05/04/07		Ann Watson	Ecologist	Krista Bonfantine	email	Emailed to confirm meeting in May and discuss misc. project details	
NMDOT	05/09/07		Mark Anaya	Hwy Maintenance Manager	Krista Bonfantine	phone call	talking to district staff about monitoring equipment installation	
Center for Service Learning Opportunities in Education (CFSLOE)	05/09/07	Cerrillos, NM	Lawrence Cordova	Maintenance crew member	Krista Bonfantine	phone call	talking to district staff about monitoring equipment installation	
Santo Domingo Tribe	05/10/07	Santo Domingo	Lawrence Cordova	Maintenance crew member	Krista Bonfantine	site visit	installed equipment with assistance of Lawrence Cordova	
Santa Ana Pueblo	05/12/07		Will Barnes	Biologist	Krista Bonfantine	email	Contacted regarding schedule for grinding at Santa Fe River	
Las Comunidades	05/14/07	581-4550 or 927-1471	Andrew Sweetman		Jim Brooks	Site Visit	Consult regarding their CFRP grant to create compost with wood chips from bosque thinning project	
Restoration Solutions, LLC	05/14/07		John	john@lcdn.org	Sarah Pierpont	phone	Discussion regarding CFRP consulting for their unfunded Recycling and Illegal Dumping grant ap. Green Waste Diversion & Compost Demonstration	
Barela Timber Management	05/14/07		Brent Racher	Owner	Krista Bonfantine	phone call and email	emailed info on compost socks for erosion control (where to purchase, etc)	
Valles Caldera Trust	05/16/07		Ralph Barela	Owner	Krista Bonfantine	phone call	Discussed details of grinding project at SF River and similar activities statewide	
Restoration Solutions, LLC	05/16/07		Marie Rodriguez	Natural Resource Coordinator	Krista Bonfantine	email	Discussed potential grinding work at Santa Fe River	
			Brent Racher	Owner	Krista Bonfantine	email	contacted regarding monitoring and scheduling with crew from Natl Fire Lab	
					Krista Bonfantine	email	Discussed details of grinding project at SF River and similar activities statewide	

Community Forestry Coordinator	05/18/07		Eytan Krasilovsky	Forest Guild	Krista Bonifantine	phone call	Discussed data needs for Forest Guild effort to compile map of statewide CFRP activities	
NMDDOT	05/21/07	Cerrillos, NM	Lawrence Cordova	Maintenance crew member	Krista Bonifantine	site visit	completed equipment installation	
Mescalero Apache Tribe	05/22/07		Jackie Blalock	Utility Director	Krista Bonifantine	email	Provided MOA electronically for tribe to sign	
NMDDOT	05/22/07		Mark Anaya	Hwy Maintenance Manager	Krista Bonifantine	email	contacted regarding in-kind contributions by DOT in terms of personnel and equipment for monitoring project	
Missoula Fire Sciences Lab	05/24/07		Helen Smith	Ecologist	Krista Bonifantine	email	Contacted regarding biomass estimate field work at Caldera	
Community Forestry Coordinator	05/24/07		Eytan Krasilovsky	Forest Guild	Krista Bonifantine	email	Provided list of monitoring locations for map sent information regarding where to find free wood chips for landscaping purposes	wood chips applied to private landscape
n/a	05/29/07		CeAnne Jacques		Sarah Pierpont	email	setting up one-on-one consult, discussing CFRP process	
Missoula Fire Sciences Lab	05/30/07		Cliff Sandoval		Sarah Pierpont	phone contact	Fieldwork to understand Fire Lab monitoring activities at Valles Caldera	
Missoula Fire Sciences Lab	05/30/07	Jemez, NM	Helen Smith	Ecologist	Krista Bonifantine	site visit	Fieldwork to understand Fire Lab monitoring activities at Valles Caldera	
Center for Service Learning Opportunities in Education (CFSLOE)	05/31/07		Helen Smith	Ecologist	Krista Bonifantine	site visit	Fieldwork to understand Fire Lab monitoring activities at Valles Caldera	
Center for Service Learning Opportunities in Education (CFSLOE)	06/06/07		Will Barnes	Biologist	Krista Bonifantine	phone call	Contacted regarding schedule for grinding at Santa Fe River	
Lincoln County Composting	06/13/07	Santa Fe, NM	Will Barnes	Biologist	Krista Bonifantine	site visit	Measured vegetation in mulch plots with Will going to provide consultative help on NMDOT Compost spec instructions	
Lincoln County Composting	06/14/07		Roger Allen	Maintenance crew member	Sarah Pierpont	phone	Downloaded data	
NMDDOT	06/15/07	Cerrillos, NM	Lawrence Cordova		Krista Bonifantine	site visit	Measured vegetation in mulch plots with Will	
Center for Service Learning Opportunities in Education (CFSLOE)	06/18/07	Santa Fe, NM	Will Barnes	Biologist	Krista Bonifantine	site visit	Communicated with Will about plant species id for mulch plots	
Center for Service Learning Opportunities in Education (CFSLOE)	06/18/07		Will Barnes	Biologist	Krista Bonifantine	email	reviewing NMDOT Compost spec info and feedback	
Lincoln County Composting	06/19/07		Roger Allen		Sarah Pierpont	emails	Passed along Valles Caldera vegetation info provided by Will Barnes	
Missoula Fire Sciences Lab	06/19/07		Helen Smith	Ecologist	Krista Bonifantine	email	interested in CFRP grant process and maybe serving as a contractor for successful applicants	
Landscape Contractor	06/21/07		Cliff Sandoval		Sarah Pierpont	phone	info about CFRP	
Landscape Contractor	06/21/07		Cliff Sandoval		Sarah Pierpont	email		
Santa Ana Pueblo	06/22/07		Andrew Sweetman		Sarah Pierpont	phone conversation	1-on-1 consult regarding their green waste diversion/compost demonstration project	Krista did one on one consultation
Restoration Solutions, LLC	06/26/07		Brent Racher	Owner	Krista Bonifantine	email	Discussed scheduling and budget for SF River project	
Center for Service Learning Opportunities in Education (CFSLOE)	06/26/07		Will Barnes	Biologist	Krista Bonifantine	email	Discussed scheduling and budget for SF River project	
Santa Ana Pueblo	06/28/07		Andrew Sweetman		Krista Bonifantine	email	Contacted regarding consulting and grinding services available from NMRC	
NMDDOT	06/28/07		Mark Anaya	Hwy Maintenance Manager	Krista Bonifantine	phone call	contacted regarding in-kind contributions by DOT in terms of personnel and equipment for monitoring project	
Mescalero Apache Tribe	06/29/07		Pam Kushnaw	Attorney	Krista Bonifantine	phone call	Contacted regarding MOA for Mescalero project	
Bio-Grind, Inc	07/01/07	Ruidoso	Roger Allen		Sarah Pierpont	Emails/phone calls	Provided info and digital images for NMDOT compost mulch brochure	

Appendix III - One-on-one Outreach

Bio-Grind, Inc	July - August, 2007		Roger Allen	Bio-Grind, Inc	Sarah Pierpont	phone calls, emails	Assisted with NMDOT spec composted mulch brochure through emails with info and digital images of testing and evaluation of compost mulch.	Development of informative brochure to assist in the production of quality NMDOT spec. composted mulch.
RC Forest Products, LLC	08/31/07	Reserve, NM	Ruben Carreon		Sarah Pierpont	phone, mail	spoke about erosion control with wood chips as his mill is about to produce a lot of chips- sent info and will possibly coordinate a ton1 touching base regarding wood chip production at new mill	gave Naomi Engleman's contact info for her list serve
RC Forest Products, LLC	10/10/07		Ruben Carreon		Sarah Pierpont	email	Taught a class on composting to Ruidoso's Gavilan Alternative School.	
Ruidoso Middle School CFRP - Ecoservants	10/11/07		Ryan Kluthe	Asst Director	Roger Allen	Email		
Lower Frisco Wood Products Reserve Mill	Winter 2007/2008				Krista Bonfantine	Various phone calls emails about wood chip applications		
Phelps Dodge Mine	Winter 2007/2008				Krista Bonfantine	Various phone calls emails about wood chip applications		
Santa Domingo Pueblo	01/15/08	Santa Domingo Pueblo	Ann Watson		Sarah Pierpont	email & call	emails regarding assisting Pueblo with thinning project/composting wood chips	trying to schedule meeting btwn Ann, Jim Brooks & Krista
Santa Domingo Pueblo	01/17/08	Santa Domingo Pueblo	Ann Watson		Sarah Pierpont	email & call	emails regarding assisting Pueblo with thinning project/composting wood chips	trying to schedule meeting btwn Ann, Jim Brooks & Krista
Mammoth Mill & Log Homes CO	01/22/08		Eric & Jennifer Hoffman		Sarah Pierpont	in-person discussion	Discussed what to do with their wood chips generated from their saw mill	will attend March 4 - making composted mulch for NMDOT workshop
Gila Tree Thinners	01/22/08		Glenn Griffin		Sarah Pierpont & English Bird	in-person discussion	Discussed how he used our information from 2007 presentation discussing mulch depths to apply mulch in forest thinning projects	treated 300 acres with the 2" depth that we discussed at our '07 presentation and there now b/c native grasses have grown back so well
Gila Tree Thinners	01/22/08		Glenn Griffin		Krista Bonfantine	in-person discussion	Discussion of wood chips for mulch - and detailed specs	educational
Rocky Mtn Youth Corp	01/31/08		Coleman Smith		English Bird	phone call	influenced by 1-23 presentation and wants to use wood chips as mulch, needs assistance	Krista in contact to provide on ground consult & help resolve issues with Forest Service related to pH
RC Forest Products	2/1/2008	Reserve, NM	Ruben - RC Forest Products 505-533-6511			phone	interested in attending erosion control workshop - discussed Reserve NM high production small diameter machine installing will develop a lot of wood chip byproducts, Ruben is his name, 2-3 truckloads a day mill will start in 2 months	Consult with Krista regarding erosion control/mulch apps
Natl Hispanic Cultural Ctr	02/13/08		Yolanda Nava Naomi Engleman, Carmen, Austin, Ralph Barela, Jill Holbert, Paul Gallegos, Krista Bonfantine, Kurt Frischkorn (NMDOT)	Director of Special	Sarah Pierpont	emails	She's doing a Bosque Restoration program at the National Hispanic Cultural Center and would like to learn more about how they can maximize use the "waste" products from forest thinning activities.	updated project legacy information, Naomi at NMFIA will take over questions, referrals, etc after life of grant
CFRP Advisory Team	02/22/08		Ann Simon (505-724-3617)	Discussion involve	Sarah Pierpont	Phone	feedback on project legacy and evaluation process	Jim or Krista may present at the mtg - gave her their contact info
Mld Region Council of Governments	03/26/08		Leonard Carrillo		Sarah Pierpont	Phone	Discussion involvement in Soil workshop that she's coordinating	wants to set up mtg for City Council
City of Belen	04/01/08		Leonard Carrillo		Jim Brooks Greg Baker & Jim Brooks	One on one presentation to City Manager	Outlining benefits of mulch for erosion control	City to use wood chips for erosion control
City of Belen	04/04/08		Jackie Blalock			Demo site visit	Finishing Sewer Line Erosion Control Project	Project Completed
Mescalero Apache Tribe	05/07/08							

Appendix III - One-on-one Outreach

City of Belen	05/13/08	Leonard Carillo	Greg Baker & Jim Brooks	Present info to City Officials on Erosion Control	Selling the City on Erosion Control with woody biomass	The workshop was attended by 13 people and represented almost every entity in the city. We had staff from Parks & Recreation, Streets, Solid Waste, Administration, Waste Water Tx Plant, and even a city councilor. They have invited Steve, Jim, and me back down to show them how to co-compost biosolids with their yard trimmings on May 23.
City of Belen	05/23/08	Leonard Carillo	Jim Brooks & Greg Baker	Site visit	Lead follow up presentation to city managers about wood chip erosion control applications	
	06/04/08	Nathaniel Franklin	Sarah Pierpont	Emails	Interested in applying wood chips instead of burning for future projects	Gave details about project and resources available
K&B Timber Works (Lower Frisco Wood Products)	06/18/08	George Barreras	Krista Bonfantine	Phone call	Discussed wood chip pile issues	Will sell wood chips for pellets
Highlands University - NM Forest & Watershed Restoration Institute	06/23/08	Joe Zebrowski	Krista Bonfantine	Site visit	Trained Highlands staff on monitoring equipment	Highlands University inherits monitoring equipment
NM Forest Industry Association (NMFIA)	06/15/08	Nathaniel Franklin	Sarah Pierpont	Emails	Interested in applying wood chips instead of burning for future projects	Gave details about project and resources available
NM Forest Industry Association (NMFIA)	06/29/08	Naomi Engleman	Sarah Pierpont	Email	Discussion of appropriate contact info to put into legacy brochure for NMFIA	NMFIA info. added to legacy brochure
NM Forest Industry Association (NMFIA)	07/10/08	Naomi Engleman	Sarah Pierpont, English Bird, Krista Bonfantine	Meeting	Discussion of handing over information, details, contact etc to NMFIA's CFRP project upon completion of NMIRC's project	Batbn passed
